

The 5-Step Sandwich Shop Pre-Launch Checklist

1. Nail Your Menu

- Narrow down to 6-10 signature sandwiches.
- Test every recipe multiple times for consistency.
- Lock in suppliers and confirm pricing holds your margin.

2. Health & Safety Compliance

- Get food handler permits and staff certifications.
- Schedule and pass your health department inspection.
- Verify kitchen equipment meets local code.

3. Set Up Your Supply Chain

- Confirm delivery schedules with all suppliers.
- Line up backup vendors in case one falls through.
- Order packaging with enough lead time.

4. Train Your Team

- Run the assembly line until it's fast and consistent.
- Cover food safety basics: cross-contamination, temps, handwashing.
- Make sure everyone's comfortable on the POS.

5. Soft Launch & Gather Feedback

- Do a friends-and-family tasting before opening.
- Build buzz on social media the week before launch.
- Plan an opening-day promo and collect feedback.
